Main Dining Room

The light filled dining room boasts triple height ceilings and walls of windows, one of which opens to a charming internal courtyard with artwork by Melbourne artist David Lee Pereira.

Available for exclusive use, the main dining area can accommodate 110 seated guests and up to 250 guests for a cocktail canapé event.

Luci Lungo

For a more intimate affair, Luci Lungo exclusively seats up to 34 guests.

Luci is a stunning heritage Arte Deco Grand Hall, rich in elegance and history. Featuring original 1930's heritage Romanesque architecture with a contemporary edge through polished marbles in the bespoke tables and beautiful flooring.

Our menus are created with produce sourced from our local farmers who rely on seasonality, occasionally resulting in certain items being subject to change.
